STATE ROUTE 330 PROJECT UPDATE

SR-330 goes back to escort schedule – SR-38 open

San Bernardino County – Caltrans will resume with the planned escort schedule on State Route 330 (SR-330). State Route 38 (SR-38) has reopened.

SR-330 escort schedule as follows:

August 31 through September 4 – Escorts from 8:00 a.m. to 6:00 p.m. (7 days a week)

September 5 through late September 2006 – Escorts from 5:30 a.m. to 8:30 a.m. and also 5:30 p.m. to 8:30 p.m. (7 days a week)

A ten-day full closure of SR-330 will take place in late September or early October. The SR-330 roadbed (on the lower slope) will be completely removed for slope stabilization and re-paving. The public and media will be advised in advance of the closure.

Motorists are advised that public and worker safety is our number one concern. Escorts may be canceled without notice due to slope movement or inclement weather. Please be alert for contractor work vehicles and equipment when traveling through the construction zone.

Vehicles five tons and over will not be permitted on the route. SR-18 (Waterman Avenue) from SR-30 may be used as an alternate route. For more information on roadwork please go to our website at www.caltrans8.info. Always remember to **slow for the cone zone.**

Lives depend on it!
